Trunk Show, Demonstrations, & Optional Hands-On Class

Class 1: Pillow Parade + Home Dec Techniques

What's the difference between a \$25 pillow and a \$250 pillow? It's all in the embellishments and finishing touches! Join the decorating diva, Pam Damour for a lively trunk show and Lecture/Demo as she demonstrates many of her workroom techniques used in custom decorator pillows. Pam will discuss neck roll pillows, envelope pillows, miters, zippers, padded flanges, pleated trim, ruching, cording, double welt and more! Pam has special techniques that are easier and better looking than anything you'll find in books. Many (if not all) of the techniques can also be used for garments and quilts. Learn which feet and notions make it all seem so easy!

Class 2: ZENTANGLE: Stitch, Tangle & Bling

Join Pam for inspiration while she shows you the easy step-by-step breakdown on how to create Zentangle® patterns. Zentangle is an art form that teaches complex designs in an easy and fun method. Enjoy her trunk show as she demonstrates how you can create designs in ink to enhance your home dec, quilting, garment and embroidery projects.

If you choose to participate in the hands-on portion of the Zentangle class, Pam will have available a beginner kit for \$10.
